

Callfor Participation

We invite you to join us in **8th International Conference on Advances in Engineering (AE 2024)**

This Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of all Engineering fields. The conference documents practical and theoretical results which make a fundamental contribution for the development of all Engineering. Original research papers, state- of-the-art reviews are invited for publication in all areas of Engineering.

Highlights of AE2024 include:

- 8th International Conference on Circuits and Systems (CIRSY 2024)
- 8th International Conference on Civil Engineering (CE 2024)
- 9th International Conference on Mechanical Engineering (ME 2024)
