

Callfor Participation

We invite you to join us in **10th International Conference on Circuits and Systems (CIRSY 2024)**

This Conference will provide an excellent knowledge and to reach for health care needs of the society. The goal of the conference is to monitor the effect of marketed drugs to deliver in adverse reactions. The aim of the conference is to provide a platform to the researchers and both academia and industry to meet and also to share the development in this field. Only original research papers are invited for the publication.

Highlights of CIRSY 2024 include:

- 8th International Conference on Civil Engineering (CE 2024)
- 8th International Conference on Advances in Engineering (AE 2024)
- 9th International Conference on Mechanical Engineering (ME 2024)

RegistrationParticipants

Non-Author/Co-Author/SimpleParticipants(NoPaper)

450 EURO for Face to Face(WithProceedings)

100 EURO for Online (Without Proceedings)
